RESERVE SAINT JULIEN

Domaine Madone

Cinsault

- **Producer:** Philippe Cases
- **Appellation:** IGP Pays d'Occ
- **Origin:** Occitania

Red varietal range: This cuvée is a blend of 90% Cinsault and 10% Cabernet Franc.

Soil types: The vineyard lies between the village territories of Arzens and Sainte-Eulalie in Malpère country. The clay-limestone terroir stretches for the most part across the hillsides of this rolling landscape. The climate is influenced by the Mediterranean, the Atlantic and the Pyrenees, thus lending a distinctive freshness to the wines.

Vineyard management: The main grape-varieties to be found on the estate are Merlot, Cinsault and Sauvignon, but also some Marselan and Cabernet Franc.

Winemaking: The machine-harvested grapes are pressed on reception; the resulting juices are cooled for a natural decantation. Low-temperature fermentation proceeds at 14-16°C to encourage floral aromas.

Tasting notes: Brilliant rosé colour with glints of violet. Lingering aromatic nose of pear drops, long on the palate. Notes of fruit compotes and crushed soft fruit. Fresh and aromatic in the mouth.

Food pairings: This wine can be enjoyed with light meals such as composed salads or barbecues.
